WHY BUSHRANGER?

Whether you're a proud home owner or professional user, Bushranger has the right product for you.

Bushranger provides quality, commercial grade products to the Australian consumer market – whether you are a professional or savvy pro-sumer. We are proud of our products and ensure our retailers provide great service and support so you have peace of mind with your purchase and years of reliable and dependable use.

Our Team.

We are a proudly Australian Owned and Operated company, who employ over 150 friendly faces Australia-wide. We couldn't talk about the best quality products in the marketplace without having a strong team of qualified professionals, with years of experience, knowledge in the industry and know exactly what Aussies want and need, to back it up.

From research and development to service and warranty, our national Bushranger team is fully committed to providing products that are user-friendly, value for money and time-saving, so you get to enjoy your little piece of paradise – from a modest courtyard to stately acreage, Bushranger have the right product for the job.

Go Further With Bushranger.

You can extend your warranty from 2 years to 5 years on your 2-stroke product by exclusively using Bushranger Premium 2 Stroke Oil – available from your dealer. Not only will your investment perform better, but will last longer. Trust Bushranger to give you an extra 3 years of worry free use.

** For domestic use 2-stroke hand held products only, this period is extended for a further 3 years on a parts only basis for crankshaft, main bearings, piston, piston rings, needle roller bearings, cylinder and ignition coils provided Bushranger 2-stroke oil has been purchased on the original invoice with the unit and exclusively used during the warranty period.*
